FRIENDS WITH YOU

*What a friend we have in time
Gives us children, makes us wine
Tells us what to take or leave behind
And the gifts of growing old
Are the stories to be told of the feelings
more precious than gold
Friends I will remember you, think of you, pray for you
and when another day is through, I'll still be friends
with you
Senior days are never long
Hours spent in laughter's song
Gives us all the hope to carry on.*
